JADE LEONARD

Describe your music in three words?

Honest possibly egocentric.

Eclectic - I refuse to be pigeon-holed, I think my audience is smarter than that. Everything - without it I cease to function.

Who are your biggest musical influences?

My musical influences change all the time. For the last few months I've been listening to Norwegian singer/songwriter Kate Havnevik relentlessly and I've had I Blame Coco on rotation for a few years now. I grew up listening to Rick Astley and Gloria Estefan on repeat with mum in the red Nissan Exa with the roof off.

First album you bought?

Barbra Streisand - The Concert double CD. Or it might have been Barry Manilow Live. Mmmm. Not sure. Well, same, same I guess!

What is on your iPod/turntable/stereo at the moment?

Kate Havnevik, I Blame Coco, Koop, Sia - always and Peggy Lee

If you weren't making sweet music you would be....

A princess unicorn. Or a ballerina. No, really. Or a gymnast.

What can't you live without?

As far as Maslow is concerned, I'm doing pretty well, so if it's not too presumptuous of a comfortable and happy life, I'll say: LOVE. But really, I'd be pretty screwed without my phone these days, which is a pretty silly predicament to be in.
